Introduction

At bunq, we really care about your privacy. This means we will never sell or rent your personal data to third parties without your permission.

The data controller for the processing of your personal data is bunq B.V., registered at the Dutch Chamber of Commerce with registration number 54992060. Our address is Naritaweg 131-133, 1043 BS Amsterdam, the Netherlands.

To make sure bunq only processes personal data in line with the relevant laws and regulations, bunq has appointed a Data Protection Officer (DPO). If you have any questions about the processing of personal data resulting after reading this Privacy Statement, you can contact our DPO via privacy@bunq.com. For recruitment questions, please contact recruiters@bunq.com.

What data does bunq collect?

We store your personal information, contact details, interview data, class marker skill scoring, CV, and communication data about your application. For scheduling appointments with you, we use Google Calendar. Next to this we may consult online resources for researching publicly available information about you. Our pre-employment screening also includes obtaining a certificate of good conduct and performing reference checks.

For what purposes does bunq use my personal data?

bunq collects personal data of job applicants for maintaining an effective recruitment and selection procedure. We use this data for comparing applicants, communication, assessments and screenings. Integrity and trustworthiness are essential qualities for employees at bunq because they process personal data of customers and other confidential information.

How long does bunq store my data?

We keep our applicant data safe, protecting it from unauthorized access, improper use and unlawful or accidental destruction or loss. As agreed, we keep your data for 1 year following the end of the recruitment and selection procedure, allowing us to keep in touch for any future opportunities. After expiration of the retention period, we remove applicant data from our active administration.

What are my rights?

We want you to be in control of your personal data. You have the right to access your data, and to request a data correction or deletion if the data is inaccurate, incomplete or irrelevant to the purposes for which we process applicant data. If you do not want us to keep your data for 1 year following the end of the recruitment and selection procedure, please let us know.

Last but not least

This Privacy Statement may be modified from time to time. Please check this page regularly for any changes.

When you have a complaint about the data processing by bunq, you can contact our Data Protection Officer via privacy@bunq.com. In case you disagree with the handling of your complaint, you are able to file a complaint at the Autoriteit Persoonsgegevens.
