### Liability

We do our utmost best to always provide correct, complete and up-to-date information via our website, but do not give any guarantees that we always succeed in doing so. The information on our website is meant for information purposes only and is not a personal advice. We are not liable for any damages that arise from the use of and/or mistakes on our website.

You may find references and/or hyperlinks to other websites on our website. We do not check the information on these other websites and are not responsible for their content. Using the links and references is on your own risk.

We try to keep our website available at all times. It may however happen that the website is temporarily not available or not functioning properly. We are not liable for any damages that might arise in this case.

### Intellectual property

All information on our website (including logos, corporate identity and designs) are protected by copyright and other intellectual property rights. You are allowed to use this information for private (non-commercial) purposes, if you provide a reference to the source. For any other use, our prior written consent is required.

### Changes and jurisdiction

We may change the information on our website (including this disclaimer) without notifying you. We therefore recommend you to regularly check whether we have made changes.

The disclaimer is governed and should be interpreted in accordance with the laws of the Netherlands. Any dispute regarding this disclaimer and (the information on) our website can be brought exclusively in front of the competent court in Amsterdam.
